Allianz Global Investors GmbH, et al. v. Bank of America Corporation, et al., 1:18-cv-10364

Dear Judge Aaron,

Pursuant to Section I.D. of Your Honor's Individual Practices, Plaintiff Norges Bank respectfully requests a 17-day extension of the January 15, 2021 deadline set by the Court's Order (Dkt. 646) to provide hits report "for any additional custodians within 45 days after resolution by agreement or court order" (Dkt. 709).¹ Norges has encountered some issues with the transfer of documents previously collected for four of the five additional custodians to a new more powerful computer it purchased to run the complex search terms proposed by Defendants, which could not be run on its existing systems. As for the fifth additional custodian, (Dkt. 709), Norges has a pending objection to Your Honor's December 17, 2020 Order, which has not yet been resolved and if resolved now, would not give Norges sufficient time to collect the documents and run the search terms. This is Norges' second request for extension. Defendants do not oppose Norges' request for extension.

Respectfully submitted,

/s/ Daniel L. Brockett

¹ The parties agreed on the four additional custodians on December 1, 2020, which triggered the 45 day period set by the Court for the production of the corresponding hit reports.
